

Round Rock Police Calls for Service at Montelena (previously Meadow Ridge) Apartments, November 2009-April 2010

Police Calls for Service

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the police department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured.

2. In comparing one apartment complex's police service calls with another, more factors than simply the number and nature of calls must be considered. For example, a larger complex houses more people than a smaller complex and naturally would generate more calls for service.

3. Traffic stops and animal-related calls are excluded.

Questions about this report should be directed to the RRPD Logistics and Research Unit, 218-6677 or bcraytor@round-rock.tx.us.

Call dispositions are organized into the following categories: Arrest Made, Cancelled/False Alarm, No Report, Report Taken, Referred (to Other Agency), Unable to Locate, and Warning or Ticket Issued. If a category does not appear in the table above, then no calls resulted in that disposition category during the period in question.
